Little Bluestem
‘Smoke Signal’

Schizachyrium Scoparium 'Smoke Signal'

- A sturdy selection with tight, upright stems in blue-green and offers amazing fall colour when it turns a deep, red-purple. Small wispy tan seed heads add a graceful appearance from late summer into fall
- Adds tall linear lines to your garden and elegant clumps that will sway in the breeze.
- Tolerates dryness, heat and humidity

Height: 3-4 Feet	**Zone 3**
