

# Virginia Rose

*Rosa virginiana*

- ❁ Fast growing and extremely cold hardy. A profusion of fragrant, single, pale to to bright pink flowers are followed by abundant red, fruits which are used to make jams and jellies . A favorite of hungry birds. Brilliant red fall colour
- ❁ Rose hips provide eight times the vitamin C of oranges, according to the USDA National Nutrient Database. They can be used to make jam or jelly or to flavor tea
- ❁ Native to eastern North America
