

Clematis 'Etoile Violette'

- ❁ Very free flowering and vigorous, Etoile Violette features deep purple 4-5" blooms from June to September. A classic garden beauty
- ❁ Blooms only on the current year's growth. Plants should be cut back in early spring to two strong sets of buds on each stem as close to ground level as possible. This will provide a plant with blooms that start near ground level and continue to the top

Height: 8-14 Feet Zone: 3
