

# Yellow Upright Prairie Coneflower

*Ratibida columnifera* 'Yellow'

- ❁ Profuse, golden yellow daisy style blooms surround a large central cone from late spring into fall.
- ❁ A must have plant for attracting butterflies to your garden! Valuable food source for native bees.
- ❁ Great for accent planting, cut flowers, or mass planting. Drought tolerant once established
- ❁ Native to Ontario (selected for its yellow colour from the Upright Prairie Coneflower)
